GOVT. ENGINEERING COLLEGE, BARTON HILL · DEPARTMENT OF INFORMATION TECHNOLOGY

THE TERMINAL

VOL. 1
JAN – JUN '26
ISSUE 01

VISION & MISSION — THE COLLEGE

Vision

To excel in higher learning in engineering and technology, nurturing and empowering young minds, fostering research and innovation, and reaching out to society, with a relentless pursuit of high academic standards and integrity.

Mission

Impart engineering knowledge and skills. Mould professionals with integrity. Nurture the spirit of innovation, creativity and sustainability to address the needs of society. Collaborate with industry, academia and research institutions of repute.

VISION & MISSION — THE DEPARTMENT

Vision

To excel in higher learning in engineering and technology by nurturing young minds, fostering innovation and research, and contributing meaningfully to society — with a commitment to academic excellence and integrity.

Mission

To impart strong engineering knowledge and technical skills. To develop professionals with integrity and ethical values. To encourage innovation, creativity and sustainability. To collaborate with industry and research institutions for advancement.

INSTITUTIONAL DESK

Message from the Principal

"The January–June 2026 period has marked an era of purposeful progress for Government Engineering College, Barton Hill. Our institution has continued to strengthen its benchmarks in academics, research and innovation, and the Department of Information Technology stands evidence of that momentum — national hackathon podiums, university-level recognitions and an industry-linked startup culture that translates classroom learning into real solutions. The initiatives documented in this newsletter reflect the vibrant energy of our students and the steady dedication of our faculty. I commend the department for upholding institutional standards across academics, innovation and community engagement, and I trust this edition will serve both as an archive of milestones and an inspiration toward higher horizons."

— DR. BIJULAL D.
Principal (In-charge)

DEPARTMENTAL DESK

Message from the Head of the Department

"It is with great pride that I present this edition of The Terminal, chronicling the January–June 2026 semester of the Department of Information Technology. This period saw our students sweep eight podiums across state hackathon zonals, reach a Cognizant national hackathon final, and clinch the overall championship at Sargam 2026 — while our faculty published research on secure cloud-edge scheduling in Springer. In line with our accreditation goals, the department deepened experiential learning through the Encrypto workshop, the AEGIS cybersecurity club and internship pathways. Every achievement recorded here is a testament to the synergy between our faculty mentors and driven students. I congratulate the editorial team for their thorough documentation."

— DR. DEEPTHI SASIDHARAN
Associate Professor & Head, Dept. of IT

The home ground. Government Engineering College, Barton Hill — Thiruvananthapuram. Established 1999 · APJ Abdul Kalam Technological University.

10 FEBRUARY 2026 · 1-3 PM · ZOOM

Encrypto Workshop: "From Script to Ransom"

The department's **Encrypto** workshop, led by **Alan V Jiju** of Offenso Hackers Academy, walked participants from scripting fundamentals to a live **ransomware-breaking session** in two intensive hours. The session seeded a formal **Capture-the-Flag (CTF) collaboration** with Offenso Hackers Academy — a continuing skills pipeline for campus security defenders.

FEBRUARY 2026 · CLUB INVESTITURE

AEGIS: The Cybersecurity Club Is Born

AEGIS, the department's dedicated cybersecurity club (faculty-in-charge: **Dr. Haripriya**), was formally inaugurated this semester — converting one-off workshops into a permanent student-run security programme: follow-up sessions, CTF training and peer mentoring built in.

COMPETITION ODYSSEY · FEB 2026

The February Hackathon Odyssey

Four teams — **CIPHER, BYTEFORCE, BYTE404, AXIOM** — campaigned through Industry 5.0, GovTech, AgriTech, CyberTech and Agentic AI college and zonal rounds, returning with **eight podium finishes in one month**. The full roster and venues: page 03.

8 PODIUMS | 4 TEAMS | 5 TRACKS

RESEARCH · SPRINGER · JANUARY 2026

Faculty Research: RL-Driven MOEA for Secure Cloud-Edge

Dr. Haripriya A P published the term's headline faculty paper — a **reinforcement-learning-driven multi-objective evolutionary (MOEA) framework** for secure and efficient task scheduling in **cloud-edge** environments — in a Springer volume (January 2026).

PEOs & PSOs — What the Department Commits To

PEO 1: Professional competency in Information Technology — successful IT solution providers and entrepreneurs. **PEO 2:** Scientific and engineering depth for higher education and research. **PEO 3:** Professionals with interpersonal skill, leadership and social concern.

PSO 1: Efficient, secure networking solutions with state-of-the-art ICT. **PSO 2:** Real-world solutions built on sound software-engineering principles. **PSO 3:** Innovations in emerging areas of Information Technology.

FEBRUARY 2026 · HACKATHON SWEEP

Four Teams. Eight Podiums. One Month.

CIPHER (Yasina Thasneem M, M S Gauri Sankar, Asin Naved A, Evette Catelyn Fernandez, Mrinal Krishnan J) — 2nd **Industry 5.0 Hack** (Asian School of Business, 8 Feb), 1st **AgriTech** college round (18 Feb) and 1st **AgriTech zonal** (St. Thomas College of Engineering, 27 Feb).

BYTEFORCE (Aathmana S Nair, Afsana Ahmad S, Arjun V S, Krishnapriya R, NANDitha S Nair) — 2nd **GovTech** college round (18 Feb), 1st **GovTech zonal** (Marian Engineering College, 24 Feb).

BYTE404 (Nirupama S, Sooraj Kumar S, Lizona Loy Parayil, Ryan Sebastian, Devananda A) — 3rd **CyberTech** college round (18 Feb), 1st **CyberTech zonal** (Sree Chitra Thirunal College of Engineering, 26 Feb).

AXIOM (Abhinav B, Alex Anto Cherian, Greeshma Susan Lukose, Milan Shaji) — 2nd **KAIZEN '26 Agentic AI zonal** (College of Engineering Muttathara, 21 Feb), 1st **Agentic AI zonal** (Baselios Mathews II College, 27 Feb).

INDUSTRY 5.0 · 2ND | AGRITECH · 1ST ×2 | GOVTECH · 1ST + 2ND | CYBERTECH · 1ST + 3RD | AGENTIC AI · 1ST + 2ND

Cipher, mid-charge. After the Industry 5.0 finale, 8 Feb 2026.

NATIONAL FINALS · COGNIZANT

Technoverse '26: GECBH Reaches the Finals

Afila Fathima S, **Apsara M V**, **Blessy Mariya Benny** and **Christin Jiji** carried the department to the finalist round of **Technoverse 2026**, the national-level hackathon organized by Cognizant.

Finals bound. The GECBH quartet at the Cognizant stand.

NATIONAL HACKATHON STREAK · 2025-26 ACADEMIC YEAR

Vimun A Racks Up Four First-Place Finishes

Gesture-Controlled Home Automation takes 1st at **Sri Ramakrishna Institute of Technology**; an **AI-Based Physiotherapy Tool** wins 1st at **Mailam Engineering College**; an **AI-Based Neuro Rehabilitation Device** tops the General Hackathon at **MSAJCE**; and an **AI-Based Gesture Recognition** system — noted for high accuracy and real-time performance — closes the streak at **St. Joseph College of Engineering**.

4 × 1ST PLACE | AI FOR HEALTHCARE | NATIONAL LEVEL

PLACEMENT & INTERNSHIP SPOTLIGHT

Sanjayram Prasad Boards Allianz Aspire '26

First-year **M.Tech** cohort — **Sanjayram Prasad** earns a place in the competitive **Allianz Aspire 2026 Internship Program**.

CULTURAL SUPREMACY · 6–7 APRIL 2026

Sargam '26: IT Crowned Overall Champions — 1082.5 pts

Kalaprathibha: M S Gaurisankar (S4). **Kalathilakam:** Goury Vibin (S4) & Sreya S S (S6), jointly. Victory across dance, music, literary and fine-arts sections — a full-spectrum title defence.

STUDENT STARTUP · MOA SIGNED

Zelbytes × K-AgTech Launchpad

Zelbytes, the student agritech startup, signed a formal **MoA with K-AgTech Launchpad (KAU · NABARD · WSU)** — technical partner for the **Vellayani campus** under a **Farming-as-a-Service** model.

Boarding pass. Sanjayram's Aspire '26 card.

CAREER LADDER · ON PARALLEL TRACKS

Sherin's Ladder: Trainee → HR → COO

TRAINEE · NEXFORZ → HR MANAGER · CAREERS → COO · NEXFORZ

Sherin Reeba Mathew (S6) holds the **Head of Finance** seat at Zelbytes — audit reports arrive CA-verified.

YOUNG INNOVATORS PROGRAMME 6.0 · K-DISC

YIP '26: District Win — the Smart Bus Stop

S3 IT team (**Aparna, Ardra, Jyothika, Hadiya, Meenakshi**) won at the **district level of YIP 6.0** (Kerala Development and Innovation Strategic Council) with the **Smart Bus Stop Ticket Generating Machine** — destination selection, **UPI/card payment**, printed onboard tickets; easing congestion for passengers and conductors alike.

DISTRICT LEVEL WIN · UPI · CARD · K-DISC

STATE-LEVEL SELECTION · CLEAN-RIVERS AI

Gopika MB Carries YIP to the State Level

Gopika MB (S2 IT) advanced to the **state level** of YIP 6.0 with an AI-aided **plastic-waste canal collector** — an innovation aimed at cleaner, healthier waterways.

UNIVERSITY REPRESENTATION · JANUARY 2026

Adrika Shoots for Kerala at the Universities

Adrika Narayanan (S4) represented the university at the **All-India Inter-University Championship** (Meerut, January 2026), alongside Kerala State shooting-team duty at the National Games '25.

KTU SPORTS COLOURS

Deepak Jaimohan Selected to the KTU Cricket Team

Deepak Jaimohan (S2 IT) was selected to the **APJAKTU cricket team** after the college's A-zone campaign (Thiruvananthapuram); the KTU side then played the All-India South Zone Inter-University tournament, Mysore.

INDUSTRY-ACADEMIA LINKAGE

MoUs & Partnerships This Half-Year

- **Zelbytes × K-AgTech Launchpad** (KAU · NABARD · WSU) — three-agency launchpad partnership; technical-infrastructure partner duties at **Vellayani**; **FaaS** delivery model.
- **Offenso Hackers Academy** — formal **CTF collaboration** seeding a training pipeline around AEGIS.
- **Allianz** — the Aspire '26 internship seat (M.Tech).

ROADMAP · JULY–DECEMBER 2026

Looking Ahead

- Prototype hardening & state-level milestones for the **YIP Smart Bus Stop machine**.
- Grow **AEGIS**: Encrypto series, CTF ladder and campus cyber drills.
- **Sargam '27** — defend the '26 overall title; feed the half-year into ALTIORA '26–'27.
